

INSURANCE OVERVIEW

In today's increasingly competitive market, insurers are looking for ways to differentiate themselves, achieve greater agility, and drive higher operational efficiencies – all to contain cost and grow revenue. Sutherland's insurance services help carriers expedite their time-to-market and deploy products and services across new channels and geographies even faster – allowing them to lower costs, reduce the frequency and severity of loss, and provide better customer service to new and existing policyholders.

Proven Capabilities Across the Entire Insurance Value Chain

Our industry-leading capabilities extend across the entire insurance value chain, helping insurers exceed in the following areas:

- Sales, marketing, and distribution
- New business, underwriting, and insurance
- Policy services and customer care
- Claims support
- Actuarial support
